We are totally committed to promote and maintain the highest standards in administration, delivering reliable products and solutions with prompt and efficient services.

Group Profile:

Integrity, Quality & Value

Since its establishment in 1970, Hong Kong Communications Equipment Co., Ltd. (HKC) has been a major telecommunications equipment supplier in Hong Kong, China and Singapore. Leveraging on its long history of telecommunications experience and the management team's proven expertise in the telecommunications industry, the group was successfully listed in The Stock Exchange of Hong Kong Limited in 2001 named as HKC International Holdings Limited (Stock Code: 248). In 2009, having entered into a new era and to reflect its expansion in business scope; the company name has been changed to Hong Kong Communications Co., Ltd.

To maintain sustainability and steady growth through the swift advancement in telecommunications technologies in the dynamic marketplace, the Group is geared up to satisfy possible needs of customers. Built on its enriched experiences, seasoned management expertise, cutting-edge telecommunications technologies, continuous research and development and enthusiasms in fulfilling needs of customers, now, the Group is reaching beyond to explore new developing markets, not limiting to China, South East Asia, but also United Arab Emirates. After fine tuning our compass and repositioning, the Group is heading to its new missions, which are to address customized and novel needs, achieve technological advancements in its R&D product, and ultimately actualise its motto "To Reach Beyond Ourselves".
